

Calling all English Country Dance Musicians

Fish & Chips is back again this year with a new venture. Instead of playing for one of the First Saturday dances, we will have our own Sunday afternoon Tea Dance. We are looking for lots of friends to come and play for an English Country dance this Spring.

As usual, **Fish & Chips** is open to everyone who wants to learn some of this deep and wide ranging repertoire. Come and meet fellow musicians, explore the nuances of the style, and investigate the connection between the music and the dance figures and have a good time. We will have a dance program well in advance of the first rehearsal.

We will play through the program at the first rehearsal (March 26.) At the second rehearsal (April 2) we will work on sounding good together, figure out some arrangements and get feedback and a connection to the choreography from our dance leader, Ted Rudofker.

All musicians are welcome, whatever your playing level, bring your Barnes Books, a music stand, your instrument and your enthusiasm.

Please send an email to Bob Pasquarello (ktalvitie@comcast.net) if you would like to be a part of Fish & Chips this year.
