

## GCD COVID-Related Guidelines

1. The following information applies to all participants, including dancers, musicians, callers and guests.
  - Must complete a Contact Information Form the first time that you attend a GCD event. This form will include their name and contact information and will give GCD consent to use this information for contact tracing. If GCD does not have a contact information form on file for you, you will be asked to complete one.
  - **If you are feeling sick at all, please stay home!** We'll see you next time. Thank you for concern for others and for helping to keep our community healthy.
  - Must not attend if:
    - They have tested positive for COVID-19 within the last 10 days without subsequently testing negative
    - someone in their household has tested positive for COVID-19 within the last 10 days without subsequently testing negative
  - Must notify GCD at [info@germantowncountrydancers.org](mailto:info@germantowncountrydancers.org) if they test positive for COVID-19 within 3 days of attending a GCD event. We will inform participants if anyone reports testing positive for COVID after attending a GCD event.
  - Mask Requirements:
    - Masks are now optional, and continue to be welcome, for all GCD events.
2. Food and Drink:
  - Attendees must bring their own water bottle.
  - On Wednesday nights, food will not be served in the hall. On Saturday nights, dinner and tea snacks may be eaten in the Parlor when it is available for use by GCD.

Anyone who does not comply with the above guidelines will respectfully be asked to leave the event.
